# Ohio's People

Use your resources to complete the data retrieval table.

Prehistoric Indians	Historic Indians	European Immigrants	Amish and Appalachians	African- Americans	Recent Immigrants
Paleo Indians					
Archaic Indians					
Woodland Indians					
Late Prehistoric Indians					

# Ohio's People

These are data retrieval charts to help students organize a large amount of information about various groups of people who have had an impact on the development of Ohio. The charts are basically the same. Those schools using The Ohio Adventure in 4th grade may choose to use the first of the two charts since chapters and page numbers are included to make the search for information less time consuming for students.
