

Description and Suggestion for Card Use:

This card activity provides students with basic introductory information about United States **Presidents born in Ohio**. Each card has the President's name, birthplace and date, dates of term in office, date and place of death. These are intended to familiarize students with cities in Ohio and to inspire additional research.

It is recommended that these pages be printed on card stock and laminated to extend their durability. After cutting out the cards, an envelope or library pouch may be attached to the back of the map card to "house" the smaller informational cards.

The original intent was for these cards to be placed in a space in the classroom or center for independent or cooperative student work as a pre-writing activity. They were created to meet the needs of 4th graders in the state of Ohio and correlate to the Ohio Academic Content Standards in Social Studies. Depending on how they are used in the classroom, they may also fulfill some of the requirements of standards in Language Arts.
